

Steve Tolbert - a truly good guy.

Joe is an inexperienced, narcissist - advised by angry, ostracized, self-absorbed morons. He has/will do nothing but embarrass our GOP - the party of Lincoln, Eisenhower and Reagan.

I am conservative, pro-life, Jesuit-educated, Roman Catholic. BUT - Joe Gale's cheap trick of raising abortion in the primary race was ridiculous. This is a Federal and State level issue - NOT a County issue. If elected, will he get Roe v. Wade nullified just in Montco? Hardly. He is a joke - a bad joke!!

4. Send the message that serial violators of "Reagan's 11th Commandment" will not be tolerated.

I urge that you join me in soliciting every voter you know to "cut" Joe Gale on Election Day and "bullet vote" for Iraq war Vet/Finance Professor GOP Commissioner candidate, Steve Tolbert - a truly good guy.
