Subject: Steve Tolbert for County Commissioner on Tuesday
November 3To: "Scott Zelov" <vscottzelov@comcast.net>

Dear Neighbors, On Tuesday November 3 we elect judges, county officials, and our school board. For Montgomery County Commissioner, it's not close—of the 2 choices for the Republican seat, Steve Tolbert deserves your vote. Steve is qualified, experienced, and ready to serve as a County Commissioner. He is a decorated combat veteran, an economics professor, and a township commissioner. Steve's message is low taxes, preservation of open space and enhanced public services for all county residents. The other Republican candidate is not qualified. The election for the Republican seat for Montgomery County Commissioner will be very close, so your vote is important. Even though you can vote for two candidates for County Commissioner, I recommend voting only for Steve Tolbert. For County Judge, Lower Merion resident Greg Cirillo has been recommended by the county bar. Kathleen Valentine is our dedicated District Justice who deserves re-election. Our neighbor Christina Fink will bring much needed business experience to the school board, so Think Fink on Election Day. Your vote matters on Tuesday November 3—the polls are open from 7am to 8pm. Thanks,

Scott V Scott Zelov
